GCPR + VMV 2022

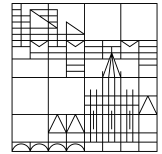

provide the premier forum in Germany for advances in visual computing research by combining two specialized conferences in one event. The University of Konstanz hosts the 44th German Conference on Pattern Recognition (GCPR 2022) and the 27th International Symposium on Vision, Modeling and Visualization (VMV 2022).

This year in Konstanz, the two conferences will take place in parallel from September 27 to 30, 2022.

On the first day, there will be workshops, tutorials and a special session with invited talks by leading computer vision scientists in the field, followed by a joint reception. The next three days are the main conference program with keynotes, award sessions and paper presentations in joint and parallel tracks.

We invite you to support GCPR + VMV 2022 !

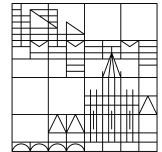

Background Information for GCPR + VMV 2022

GCPR is the annual symposium of the German Association for Pattern Recognition (DAGM). It follows the long tradition of the DAGM conference series, which has been renamed to DAGM-GCPR in 2013 to reflect its increasing internationalization. The conference addresses recent advances in theory, methodology, and applications of pattern recognition, machine learning, and computer vision. The GCPR proceedings will be published in a volume of the Springer Lecture Notes in Computer Science (LNCS) series and the best papers from the conference will be invited to a special issue of the International Journal of Computer Vision (IJCV).

VMV is the annual symposium of the Computer Graphics Special Interest Group of the German Informatics Society (Jahrestagung des Fachbereichs grafische Datenverarbeitung der Gesellschaft für Informatik, GI e.V.). It is a unique event that brings together scientists and people interested in the interdisciplinary fields of computer graphics, computer vision, visualization, and visual analytics, with special emphasis on the link between the disciplines. It offers researchers the opportunity to discuss a wide range of different topics within an open, international and interdisciplinary ambience.

Why Support and Exhibit at GCPR + VMV 2022?

- Meet over 250 conference participants – potential customers and collaborators (expected number based on previous events).
- Meet and recruit highly qualified job seekers – doctoral researchers and postdoc level – who could be a valuable asset for your company.
- Support young scientists. GCPR and VMV have a long tradition in awarding prizes for excellent research from master to postdoc level.
- Increase your visibility among conference attendees. Company name, logo, and URL will be listed as a supporter in conference announcements, program, slides at opening and closing sessions, and the conference website.
- Promote your company by having your promotion material included in the official conference materials.
- Receive complimentary registrations in addition to your sponsoring.
- Exhibit at the conference to promote your company, distribute materials, media and print, and recruit participants personally.

Levels of Support

GOLD SPONSOR – EUR 5,000 (excl. VAT)

- Company name, logo, and URL will be listed as a Gold supporter in conference announcements, program, slides at opening and closing sessions, and on the conference website.
- Explicit acknowledgement of your company's support during the speeches at the opening and closing sessions.
- Two (2) complimentary registrations to the conference (includes reception and dinner).
- Promote your company by having your promotion material included in the official conference materials. We will insert your material such as flyers, brochures, and/or giveaways in the conference material that will be distributed to all attendees.
- Exhibit at the conference to promote your company, distribute materials, media and print, and recruit participants personally. Each exhibition unit includes: 2x2 meter floor space, 1 table, chairs, electrical outlet, and wireless internet access.

SILVER SPONSOR – EUR 3,000 (excl. VAT)

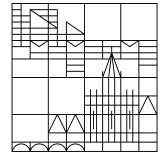

- Company name, logo, and URL will be listed as a Silver supporter in conference announcements, program, slides at opening and closing sessions, and the conference website.
- Explicit acknowledgement of your company's support during the speeches at the opening and closing sessions.
- One (1) complimentary registration to the conference (includes reception and dinner).
- Promote your company by having your promotion material included in the official conference materials. We will insert your material such as flyers, brochures, and/or giveaways in the conference material that will be distributed to all attendees.

BRONZE SPONSOR – EUR 1,500 (excl. VAT)

- Company name, logo, and URL will be listed as a Bronze supporter in conference announcements, program, slides at opening and closing sessions, and the conference website.
- Explicit acknowledgement of your company's support during the speeches at the opening and closing sessions.

DESIGNATED SPONSORING

If you are interested in supporting GCPR + VMV 2022 but none of the above options fits your needs, please contact us. The scope and extent for options to sponsor designated parts of the conference program, such as the social event or reception, are up to negotiation.
